# **Today's presenters**

Lars Marcher
President & CEO

Michael Højgaard CFO

# Agenda

- Q4 and FY highlights
- Business updates
- Going to market
- Financials and outlook

### Disclaimer

Forward-looking statements, especially such relating to future sales and operating profit, are subject to risks and uncertainties. Various factors, many of which are outside Ambu's control, may cause the actual development of the company to differ materially from the expectations contained in this presentation. Factors that might affect such expectations include, among others, changes in healthcare, in the world economy and in exchange rates.

## **Key financial results in 2017/18**

A strong year in Ambu

## **Core business on plan**

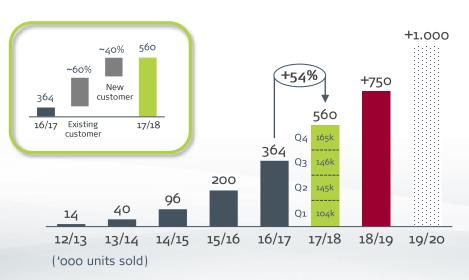

We will introduce new concepts to drive growth

- ✓ Strengthen our offering for Operating rooms
- ✓ Expand presence in Critical care settings

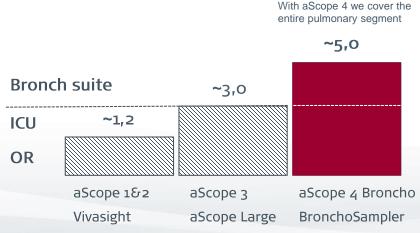

## **Continued strong aScope momentum**

We have grown no. of endoscope units sold

- while increasing the target market

(Adresseable pulmonary endoscopy market, mio. procedures)

Increasing market share to ~ 11%

No price pressure

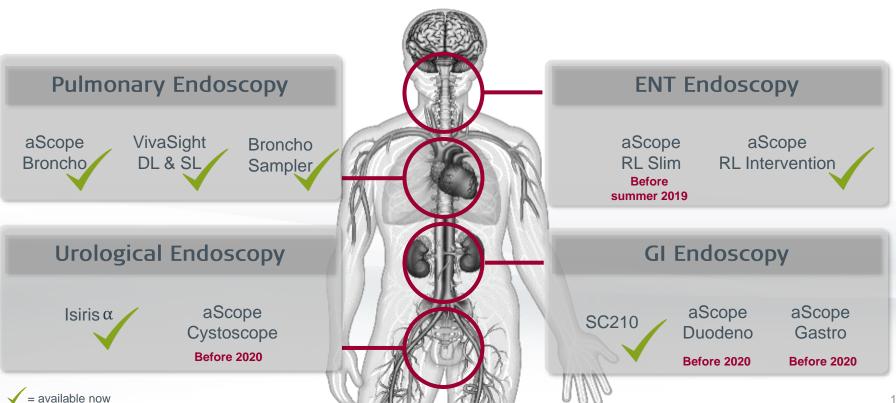

Expected endoscope unit sales in 2018/19 of +750k

# Going to market

## We are establishing a unique endoscopy portfolio

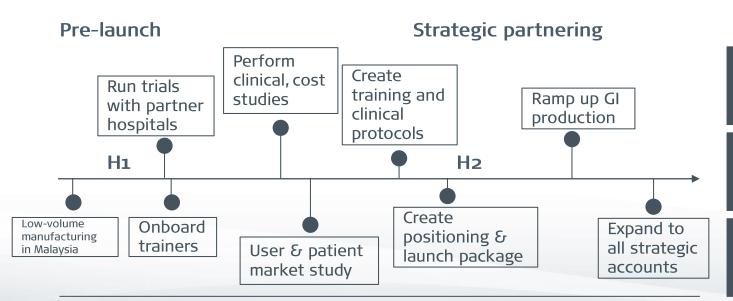

### Towards addressing all major flexible endoscopy procedures

# For SC210, 2018/19 will be a year of strategic partnering

### 2018/19 ambition

The GI sales model is refined and ready to be rolled out

The GI market has got familiar with the Ambu brand

The GI single-use concept has been introduced

### 2018/19 customer targets (first movers)

- Existing aScope accounts with current Ambu relationship
- 2

Hospitals that are committed to a single-use future

3

Areas of high risk patients/procedures

## Manufacturing of our SC210 in Malaysia

### Endoscope production in Malaysia

- Our manufacturing in Malaysia is ready to supply SC210 products for US as per plan
- Relocation of production of the SC210 colonoscope from Germany to our factory in Malaysia
- The new factory in Malaysia is expected to have enough capacity until and including 2020

### Production of SC210 colonoscope in Malaysia

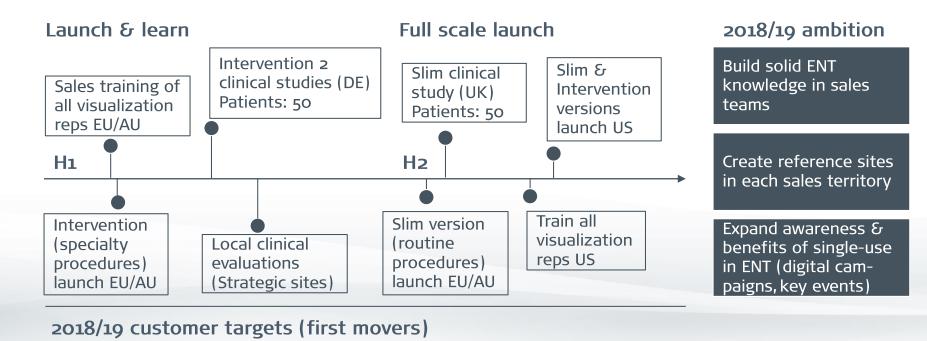

# We have a clear plan for entering the ENT market with aScope 4 RhinoLaryngo Intervention & Slim

Hospitals with single-use

agenda

Hospitals with cleaning and/or

workflow challenges

Hospitals with limited

videoscopes

# Financial results and outlook

# **Growth and profits**

### Q4 and full year
